

TREASURERS NOTES

FOR THE FEAST OF MULK (DOMINION) FEBRUARY 07, 2023

For
Consultation

“Man is organic with the world. His inner life moulds the environment and is itself also deeply affected by it. The one acts upon the other and every abiding change in the life of man is the result of these mutual reactions.

No movement in the world directs its attention upon both these aspects of human life and has full measures for their improvement save the teachings of Bahá'u'lláh. And this is its distinctive feature. If we desire therefore the good of the world we should strive to spread those teachings and also practice them in our own life.” — Shoghi Effendi, The Compilation of Compilations, vol. 3

Why is it important to have this balance of striving to spread those teachings and also practice them in our own life?

■ Amount Contributed

The note below was sent by a believer with an In-Memory contribution...

“... Enclosed is a special contribution in honor of my husband of 56 years “BM” [full name omitted] who passed 2 years ago, Jan 2021.

Although he never formally registered as a Bahá’í, he made all things possible! Hosting, supporting our pioneering, my travel-teaching (and those of others), accommodating to Bahá’í “Culture,” etc. etc!

**feel free to use these funds as/where needed/desired...just please include some portion to ‘Abdu’l-Bahá’s Shrine (I sense a twinkle in His eye in view of all that “BM” put up with) “BM” had an extensive reputation as being a Bahá’í which greatly benefitted the Faith’s reputation.*

With gratitude...”
