

TREASURERS NOTES

FOR THE FEAST OF 'ALÁ' (LOFTINESS) MARCH 02, 2023

For
Consultation

“The global challenges now facing humanity are a severe test of its willingness to put aside short-term self-interest and come to terms with this stark spiritual and moral reality: there is but one, interconnected human family and it shares one precious homeland. At this same moment, the followers of Bahá’u’lláh are examining anew the possibilities before them to release the society-building power of the Faith. This Plan will test their stamina, their willpower, and the strength of their love for those who dwell alongside them.” — The Universal House of Justice, 04 January 2022

How are the Funds an expression of the Bahá’í Community’s willpower, and love for all of humanity?

**The note below was sent by a believer

*“...in honor of my friend, Dr. M.... She was an exceptional travel teacher and family counselor to scores of people - always finding a way to teach our Faith. I hold our travel teaching adventures and decades-long friendship so close to my heart. M... bought joy and laughter to everyone she met.
What a Bahá’í example she is.”*

THE LOVE THAT BINDS
RAISING VIBRANT COMMUNITIES

The Office of the Treasurer greets you with hearts filled with joy and gratitude! It has been inspiring to see how the American Bahá'í Community has responded to the call to support the National Fund so far, especially in light of the economic challenges that are facing our Nation! This is a beautiful sign of the unity of this community and commitment to the focus of the Plan set in motion by the Universal House of Justice, "to raise up vibrant, outward-looking communities..." The National Fund goal currently stands at \$32M and needs \$13M in unrestricted contributions to reach the \$45 million goal which will assist with our Community's domestic, continental, and international obligations.

Over the final weeks before Ridván 2023, we invite all believers, young and old, to participate in a special universal participation campaign, "The Love That Binds: Raising Vibrant Communities"! You are genuinely invited - your prayers and contributions count! This campaign is aimed at increasing the number of contributions to the National Fund and to meet the goal!
