

TREASURERS NOTES

FOR THE FEAST OF NÚR (LIGHT) JUNE 5, 2023

For reflection:

“Much that was widely assumed to be certain and unshakeable is being questioned, and the resulting ferment is producing a longing for a unifying vision. The chorus of voices raised in support of oneness, equality, and justice shows how many share these aspirations for their societies” — The Universal House of Justice, Ridván 2023

How does giving orient human hearts toward a unified vision?

The reflection below came from one community’s inspiring effort...

“Dearly loved friends,

I thought I would share photos from a recent fundraiser for the National Baha’i Fund in The event was called Pause for the Cause. It included a barbecue, a pie auction, a karaoke “bid for your friend to sing a song,” and painting for friends to learn how to paint a beautiful picture. Over \$.... was raised in just under three hours. Friends enjoyed fellowship and all of the artistic activities. One friend said she had never painted anything and found the painting activity “fun and relaxing.” I hope this inspires other communities to organize such events!

With lots of love and gratitude for your work...
