

TREASURERS NOTES

FOR THE FEAST OF 'ILM (KNOWLEDGE) OCT 16, 2023

For reflection:

“By the conclusion of the new series of Plans recently begun, the Bahá’í community will need to have acquired capacities that can scarcely be glimpsed at present.”

— The Universal House of Justice, December 30, 2021

What new understanding (of the Faith) and capacities can we receive from sacrificial giving?

■ Amount Contributed

The note and drawing below was sent to our office from a group of Bahá’í children:

“We collected recyclable cans and bottles to raise money for the fund. We raised ... for the fund. Please find it inside.”

* Unrestricted (not earmarked) contributions towards the National Fund goal allow for flexibility in supporting the many activities of the Faith. The goal set by the National Spiritual Assembly for this year (2023-2024) is \$48M.
