

TREASURERS NOTES

FOR THE FEAST OF JAMÁL (BEAUTY) APRIL 27, 2024

For reflection:

“Through the Administrative Order of His Faith, Bahá’u’lláh has associated individuals, communities, and institutions as protagonists in a system without precedent.”

— The Universal House Of Justice, 28 November 2023

How are individuals, communities, and institutions “protagonists” in the work of the Faith?

This is a note we recently received from one of the friends

“Please accept this contribution to the Bahá’í National Fund. While we have always worked to manage our finances in such a way that we have tried to be good stewards of our resources and to provide for our own aging needs, we have been feeling the needs of the Bahá’í funds are more and more critical. The condition of the world is becoming desperate, and there isn't time to wait to help in whatever way we can.

Offering this money from our retirement funds is a small way we can play a part in the progress of the Cause of Bahá'u'lláh. We know it will be put to the best use possible.

With gratitude for the honor of contributing and for the service you provide”

Unrestricted (not earmarked) contributions towards the National Fund goal allow for flexibility in supporting the many activities of the Faith. The goal set by the National Spiritual Assembly for this year (2023-2024) is \$48M.
