

TREASURERS NOTES

FOR THE FEAST OF ASMÁ' (NAMES) AUG 20, 2023

For reflection:

"...There are no shortcuts, no formulas. Only as effort is made to draw on insights from His Revelation, to tap into the accumulating knowledge of the human race, to apply His teachings intelligently to the life of humanity, and to consult on the questions that arise will the necessary learning occur and capacity be developed." — **The Universal House of Justice, Ridván 2010**

How does giving help us understand how we can *apply His teachings intelligently to the life of humanity?*

The note below is an excerpt from a letter that was sent to our office by one of the Friends:

"...With the new Goal for the National Baha'i fund, we hope that this humble amount offered up with love through the Online Contribution System (OCS) at the National web-site, helps with the material sustenance required to make our Beloved Faith grow forward and onward to share the healing message of Bahá'u'lláh with all those receptive souls! The bumper crop will come in due time and we have to be ready for it! In the meanwhile, we need to carry on the meaningful conversations looking for those receptive souls in our quest "to release the society-building power of the Faith...."

Unrestricted (not earmarked) contributions towards the National Fund goal allow for flexibility in supporting the many activities of the Faith. The goal set by the National Spiritual Assembly for this year (2023-2024) is \$48M.
